Trestle Board - June 2016

Words From...

The South

The Power of TEAMWORK
Inspired by The Blue Angels

Winning teams share another common bond—the team itself. They place the team's needs and interests first, above their own. When the team comes first, personal recognition, interpersonal concerns, relationships, and any number of internal and external issues that can challenge a team's cohesiveness, are put in proper perspective.

The Blue Angels organization is built on this premise of putting the team first. When each brother demonstrates his intentions and allegiance to the team, it eliminates confusion and creates synergy. Harmony being the strengths in all societies,,,, you know the rest. Group dynamics can become complicated if left unchecked. Although they exist on every team, they can either serve to strengthen or adversely affect morale and performance. By putting the team first, group dynamics and individual intentions are made clear. Our Rituals are well defined and when they are properly performed a wonderful experience for ALL involved.

Sacrificing individual gain for the team's greater good is the price of admission members must pay...and keep paying...to be on the team. I have faith that our Lodge can be the best in the Ritual work of our Masonic Fraternity. Come join the Team and feel The Power of TEAMWORK!

Brethren please come join us for fellowship DINNER, meet our new brothers. Are you interest in being a part of the EOLA Ritual team for ALL three degrees? During our fellowship time from 6:30pm until the Opening of the Lodge please let me or another one of your officers know as we need each and every one of YOU!

Practice times TBD but what about the off

Tuesday nights of our Stated Communications - 2nd & 4th Tuesdays of every month at 7pm to 8pm??

Travel, Travel, Travel Brethren. Do you need a ride or simply want to meet at another lodge to go in together representing your Lodge? I normally travel the first two weeks of the month, of course you know but I'm going to state it again - You are part of the oldest and best fraternity in the world.

3rd (Last) Notice : What about our Trestle Board (TB)? I'm asking the Brethren to put our mailing list to the test. Please send a post card to our Lodge so I can validate that our address database is up-to-date.

Unless I receive an alarming response that indicates you want do away with the hard copy (TB) I will do my best to keep it alive! But I do want to hear from you, so if nothing else send me the postcard with your return address visible.

As our youngest brothers prepare for their efficiency of the EA experience, the EOLA #207 Lodge will schedule the FC Degree towards the end of summer (August-September time frame - sooner if necessary). More information heading into the summer of 2016!

Currently we have (3) Brothers; Corey Cooper, Jason Horton & Joseph Highsmith exercising their Attentive Ear. Mark your calendar for our next Stated Communications which will be Tuesday, June 7th.

Junior Warden

Order of the Eastern Star

The purpose of Eastern Star are Charitable, Educational, Fraternal and Scientific, striving to have its members live a life of love and service to the commu-

nity, building upon the precepts of dedication to Charity, Truth and Loving kindness. Sound familiar Brothers?

Only men who are Masons are eligible and only women with specific Masonic affiliation may be members. This means your wives, mothers, sisters are eligible to join with you. It is the only organization where men and women can come to our meetings together and enjoy fellowship.

It had come to my attention several months ago that your Worshipful Master may be interested in joining Orlando Chapter 131, Order of Eastern Star. Wouldn't it be memorable if we were to initiate several of your Lodge brothers all at the same time? This is what I would be honored to do if you are interested. As the Worthy Matron of Orlando 131, I would like to hold an initiation in October 2016. In order to do so, we will need to read your Petitions, select and Investigating Committee and ballot prior to the end of June.

What do you think my Brothers? Is this something Eola Lodge would like to do? Please let me know your thoughts! Contact me at sleduc2@cfl.rr.com or telephone (407) 347-5750.

Sandy Leduc, Worthy Matron
Gerry Leduc, PM, Worthy Patron
