Trestle Board - November 2016

Words From...

The East

My Brothers,
We have only 4 more meetings left to complete the year. I hope to see more brothers at our stated communications this month, in preparation for Elections. Our first meeting will be Tuesday, November 1st.

Thank you to everyone who participated in the "Brother Bring a Friend Night", on October 25th. We had a lot of fun and learned more about the appendant bodies.

Masters & Wardens will be on Saturday, November 5th at Orange. School of Instruction will be Wednesday, November 16th at Orange. I expect great participation from our Brethren to support our Lodge.

Hope to see you there.

See you in the Light,

Gaston A. Texier
Worshipful Master

The Power of TEAMWORK

Inspired by The Blue Angels (Last Article: Cross Train and Rotate in August TB)

CAPITALIZE ON SYNERGY

"Synergy" is a phenomenon where the whole is greater than the sum of its parts. It helps to explain the power of teamwork and why teams strive to capitalize on it. To create positive synergy, teams must have the right people in the right places-all focused on achieving a common goal. That's why the Blue Angel's have clear objectives and select from only qualified candidates capable of

consistently operating at peak performance.

After meeting the demanding qualifications and being carefully screened, a pilot must then receive 16 votes from existing members to make the Blue Angels team. If one member votes "No Way", the candidate is taken off the table and is no longer considered. No reason or explanations are required for rejecting a candidate. This is the level of trust and respect each team member has for one another.

In the Blue Angels, your teammates become closer than family. When a new member is brought into the circle, you're entrusting them with your life. Making the team isn't a one-shot deal. Once you make the team, you're responsible for making the team by fulfilling your position, demonstrating your value, and pursuing excellence on a daily basis. In the Blue Angels, every position must earn the right to wear the crest. Nothing short of this extreme commitment to making the team is tolerated or accepted.

Are you the right people in place or would like to be in place on the Eola Team? Do you capitalize on synergy? You became a Brother, be part of the Team!

Travel, Travel, Travel! My invitation still stands; do you need a ride or simply want to meet at another lodge so that you and I enter the L together and represent the EOLA Lodge? Call me!

Thank-you
Samuel Glover
Junior Warden

Orange County Supervisor of Elections Adopt-A-Precinct Update

The training will be completed by November 2nd, and we have a total of 12 volunteers to fully staff the November 8th Elections, with one additional volunteer to serve as a relief. Please note that the Orange County Supervisor

of Elections had increased the number of poll workers from 8 to 12.

I want to thank the Brothers (and their wives) for making this a successful fundraiser for Eola Lodge.

Eola Lodge Now Has the Traveling Gavel!

Present were (from left to right): Jim Judovits, Roy Campbell, Harry Brumley III, Ralph Valido. In the second row, Nelson Bonet, W.<. James Guest (Pine Castle), W.M. Gaston Texier and Sam Glover.
